## FOUNDED IN 1890,

Henderson State University has become known for its excellent academic programs, engaging student life, and affordable tuition rates. Over the years, Henderson State has gone by many names: however it has remained "The School with a Heart."

From the moment you step on campus for your first visit to the day you greet the chancellor like an old friend at graduation, you're sure to feel the Reddie Spirit alive in you. Henderson continues to follow best practices from the Center for Disease Control and Prevention regarding COVID-19. Visit [hsu.edu/covid19](https://hsu.edu/covid19) for additional information.

## HENDERSON MISSION

Henderson State University is committed to helping every student be #ReddieForWhatsNext by opening the door of access and opportunity to college, mobilizing a learning community that builds seamless pathways from school to work, and preparing students to be career ready in high-demand fields that drive community and economic development.

## WHAT IS A REDDIE?

The Reddie Spirit was born inside the student body in 1914 when the campus, the students' beloved Henderson, was destroyed in a fire. Determined to see the school survive, these students banded together and helped mold the institution into what it is now. Today the Reddie Spirit can be found in every student, professor, staff member, and graduate of Henderson State.
