RECOMMENDED IMMUNIZATIONS (not required)

Meningococcal (One-dose-preferably BEFORE entry into college) Arkansas Act 1233 requires us to inform you of a bacterial infection known as meningitis. Although meningitis is rare, individuals who live in close proximity to many others, such as in residence halls, have a slightly higher risk of contracting this disease. There is a vaccine available for meningitis and we encourage students living in residence halls to discuss receiving this vaccine with their Health Care Provider.
