

2016 May 10th UAC Minutes

Approved - April 12 Minutes

Second Reading

Education

- Approved - Second Reading – Program Change – Middle Education (Check Sheet Included)
- Tabled -Second Reading – New Course – EDU 4xx0 Orientation to Internship
 - This issue was tabled until an appropriate solution to the issue of zero credits can be found.

Integrated Studies (Implementation Fall 2017; Program & Courses)

- Approved - Second Reading – Program Change – Bachelor of Integrated Studies Program
- Approved - Second Reading – New Course – ISD 2xx3/3xx3 Introduction to Integrated Studies
- Approved - Second Reading – New Course – ISD 4xx3 Integrated Studies Senior Seminar

Philosophy (Revised Check Sheet for Minor Added)

- Approved - Second Reading – New Course – PHI 4xx3 Asian Philosophy
- Approved - Second Reading – New Course – PHI 4xx3 Existentialism
- Approved - Second Reading – New Course – PHI 4xx3 Logic II
- Approved - Second Reading – New Course – PHI 4xx3 Philosophy of Science
- Approved - Second Reading – Course Change - PHI 2133 Logic and Argument
- Approved - Second Reading – Course Change – PHI 3113 (WI) Ethics
- Approved - Second Reading – Program Change – Logic Minor Proposal I
- Approved - Second Reading – Program Change – Logic Minor Proposal II

Math & Statistics

- Approved - Second Reading – Program Change - Statistics
- Approved - Second Reading – Course Change – MTH 4133 Algebraic Structures
- Approved - Second Reading – Course Change – STA 4023/5023 Design & Analysis Experiments

Nuclear Medicine Technology (Implementation Fall 2017)

- Approved - Second Reading – New Program – Nuclear Medicine Technology
- Approved - Second Reading – Program Name Change – Medical Technology
- Approved - Second Reading – New Course – NMT 4xx8 Clinical Practicum I
- Approved - Second Reading – New Course – NMT 4xxx Clinical Practicum II
- Approved - Second Reading – New Course – NMT 4xx4 Instrumentation I
- Approved - Second Reading – New Course – NMT 4xx2 Instrumentation II
- Approved - Second Reading – New Course – NMT 4xx4 Diagnostic Nuclear Medicine I

- Approved - Second Reading – New Course – NMT 4xx3 Diagnostic Nuclear Medicine II
- Approved - Second Reading – New Course – NMT 4xx4 Diagnostic Nuclear Medicine III
- Approved - Second Reading – New Course – NMT 4xx3 Diagnostic Nuclear Medicine IV
- Approved - Second Reading – New Course – NMT 4xx4 Nuclear Physics Radiochemistry
- Approved - Second Reading – New Course – NMT 4xx3 Radiation Health Physics
- Approved - Second Reading – New Course – NMT 4xx1 Medical Terminology
- Approved - Second Reading – New Course – NMT 4xx1 Medical Ethics & Law
- Approved - Second Reading – New Course – NMT 4xx2 Patient Care
- Approved - Second Reading – New Course – NMT 4xx4 Radiopharmacy/Radionuclide Therapy
- Approved - Second Reading – New Course – NMT 4xx2 Computer Tomography
- Approved - Second Reading – New Course – NMT 4xx1 Radiobiology
- Approved - Second Reading – New Course – NMT 4xx1 Senior Seminar

Spanish

- Approved - Second Reading – Course Change – SPA 3533 (WI) Spanish Translation
- Approved - Second Reading – Course Change – SPA 4543 (WI) Spanish Linguistics

Recreation & HPE

- Approved - Second Reading – Course Change – REC 4053 Evaluation & Research in Recreation
- Approved - Second Reading – New Course - HPE 4xx2 Applied Exercise Psychology

First Reading

Business

- Approved - First & Second Reading – Course Change – BIS 2073 Fundamentals of Information Systems
- Approved - First & Second Reading – Course Change – BIS 3103 Information Systems in Business
- Approved - First & Second Reading – Course Change – BIS 4043/5043 System Analysis & Design
- Approved - First & Second Reading – Course Change – BIS 4081-3/5081-3 Independent Study
- Approved - First & Second Reading – Course Change – BIS 4091-3/5091-3 Special Topics in BIS
- Approved - First & Second Reading – Course Change – BIS 6253 Strategic Information Systems

Other Discussion Items

Approved - Double Dipping Policy

- Faculty feedback obtained by the Registrar indicates a desire to continue the current practice, which is to not regulate double dipping between two majors, two minors or a major and a minor at the institutional level, but rather to leave this to the discretion of each academic program. The Provost has however expressed a desire to require consistency across programs. It seems a larger conversation on the matter will need to take place Fall 2016.

- The 2016-2017 Catalog will contain the following language (see below), which matches the current practice at Henderson State University. If a new policy is adopted Fall 2016 then it will take effect for the 2017-2018 catalog year.

Double Dipping Across Degree Requirements

Double dipping occurs when a single course counts toward multiple graduation requirements. Students are permitted to double dip between the Liberal Arts Core and their major and/or minor program of study. Policies governing double dipping between a major and a minor, two majors or two minors will be set by the academic departments overseeing those programs.

General Education Committee & U.A.C

- The language below appears in the current handbook (Page 8) on HSU committees. At present general education credit is being added to courses without notifying U.A.C. or the Registrar.

GENERAL EDUCATION The committee shall monitor and evaluate the program of general education to ensure that it is consistent with the goals of the university and meets the needs of the students. In addition, the committee shall oversee the Writing Across The Curriculum program, the Non-Western Cultures program and assessments responsibilities for all of these programs. The Committee shall make recommendations to the UAC pertaining to any changes or revisions of the general education program or regulations.

Outcome – A representative of the General Education Committee (G.E.C) will bring L.A.C changes to U.A.C for approval. It was noted that the following courses previously approved for L.A.C by the G.E.C are approved by U.A.C.

- CRJ 2013 Introduction to the Criminal Justice System
- CRJ 2033 Introduction to Criminology
