

University Academic Council Minutes
February 9th, 2021

Approved - Vote on Minutes from November 10, 2020

Second Reading

Communication & Theatre Arts

Approved - *New Program* – Certificate in Health Communication

Approved - *New Course* – COM 2xx3 Health Communication

Approved - *Course Change* – COM 3633 Intercultural Communication

- Count Toward Non-Western LAC Requirement

Engineering and Physics

Approved - *Program Change* – B.S. Engineering

- Add an Electrical Engineering Track
- Add a Mechanical Engineering Track

Approved - *Program Change* – B.S. Computer Engineering

- Change to Mathematics Electives
 - ⊖ Change to mathematics elective only relates to the computer engineering degree. The proposal has been amended and uploaded to MyHenderson. A new proposal will be submitted in December. Absent any outstanding concerns, the committee will consider the new proposal for first and second reading.

Approved - *New Course* – EGR 4xx3 Professional Engineering Practices

Approved - *Course Change* – EGR 4563 Control Systems

- Change Prerequisites

Approved - *Course Change* – EGR 4443 Embedded Microprocessors

- Change Course Title
- Change Will Require Updated Program Check Sheet
- Change Prerequisites

Biology

Approved - *Program Change* – B.S. Wildlife and Field Biology Track

- Two Physical Science Options Within the Wildlife and Field Track

- **First Reading Note:** Registrar will investigate if (in Banner) we can codify the two physical science options as declared sub-tracks within the Wildlife and Field track of the B.S. in Biology.
 - The Wildlife and Field track will become a concentration under the major of Biology in Banner. The further subdivision of this concentration will not be recorded within a student's formally declared curriculum. However, the Registrar does have a method of allowing Degree Works to account for which of the two physical science options a student decides to complete.

Associate of Science Proposals

Approved - *Program Deletion* - Associate of Science in Radiography – Delete Program

- Program Does Not Contain Radiography Courses

Approved - *Program Change* - Associate of Science Health Sciences

- College of Arts & Sciences would like to have the degree with all the following tracks available.
 - Pre-Nursing
 - Pre-Radiography
 - Pre-Dental Hygiene
 - Pre-Medical Technology
 - Pre-Nuclear Medicine Technology
- For Pre-Dental, Pre-Medical and Pre-Nuclear Medicine Technology, students will have the option of declaring the Associates or going directly into the most appropriate Bachelor degree upon entering HSU.

Teachers College

Approved - *Program Change* – B.S. Health and Human Performance

- Elective Course Change – deletions/additions
- Changes to Program Core
- For second reading in February, additional supporting emails have been uploaded.
