- Registrar Question: Why will students not earn credit hours for the lab?
- Response: ROTC students must take course each semester – same course, different content.
- Registrar Note: Further conversation may take place regarding the benefit of adding 1 credit hr. If a credit hour is added at a later date, a new course change form will be required for UAC.
- Registrar Note: Course will be offered at lower vs. upper division level designated by the first number of the course number.
