Social Work

Approved - *Course Change* – All HS prefixes to become SW for new Majors

- Change Subject Prefix
- Change Course Number
- Updated Proposal Submitted for Second Reading

Registrar's Note: Once the course prefix changes are made, any student who takes the course will have the new prefix. If the department wishes for current majors to retain the option of completing courses under the HS prefix, then we need to retain classes under both prefixes. It will be up to the department to communicate with students and advisors to ensure students (current vs. new majors) register under the correct prefix.

Department Response to Registrar's Note: Department Chair indicated during November UAC meeting that it is the department's wish that these courses remain available under **both** prefixes for the foreseeable future.
